- Notes:
- x All materials to match existing as closely as possible unless otherwise stated
  - x The floor levels within the proposed development will be set no lower than the existing floor levels unless otherwise stated
  - x The flood proofing of the proposed development has been considered by the applicant and if necessary, will be incorporated where appropriate.
  - x Where applicable, 2m high close board timber fence to be erected along boundary to minimise overlooking and maximise privacy.

Note:  
x This drawing must not be re-issued, loaned, printed or copied without the designer's prior consent.  
x DO NOT SCALE FROM THIS DRAWING OTHER THAN FOR THE PURPOSES OF PLANNING - use figured dimensions only. Any discrepancies are to be reported to designer immediately.  
x Before any work commences, all dimensions to be checked and verified on site. All boundaries to be confirmed between the client and contractor and no part of the building is to overhang or undermine boundary lines without prior written consent.
