Sizes and product must be checked by installer prior to delivery. Magnet must be notified of any changes at least 35 days prior to delivery. Any changes made during installation could incur lead times on product.

Customer's will have 21 days from delivery to inform the branch of any damages or replacements required. The branch may require photo evidence and damaged items may need to be returned to branch for inspection.

Should any additional goods be required after delivery, those goods will be chargeable, including any delivery charges that Magnet may incur. All quantities and suitability of goods should be checked by your chosen installer before delivery.

Annotation Index	Order Code	Description
1		
	22187407	C/Own sink suitable for 800mm sink base unit
